Akron, O. Mar 1st 1883

Mr R Cole

Peninsula O- Dear Sir- Mr Marmen
has not yet found the note- but says
as soon as he can find time he will look
over his papers and find it- and hand it to
me- in which case I will send it to
you. The note calls for \$75.00- was
given by Mr Branson to Lockelberry
Mead & co. As there probably was no
other note given to them by Mr Branson,
the above description will no doubt be
satisfactory. I will accept your
offer of \$13.00 for my claim on this
note- and hereby hold you- or Mr
Branson's heirs harmless from the
collection of the note by any other
person, provided you send me
\$13.00 as above.

Yours Truly
J. H. Seiberling
