

Sale Name: The Pre '30 Tractor Auction - 2024

LOT 84 - John Deere Model BO

Description

In production from 1936 to 1947, the John Deere model BR was the fixed tread version of the row-crop model B. This example, No. 327321, runs and drives and wears an older restoration. It has round spoke front wheels with cast centers in the rear, PTO, Drawbar, Fairbanks Morse mag 11x28 rear tires, like new 5.50x16 front tires.

Quantity: 1
