

Sale Name: 2025 Spring Equipment Auction - Excavator and Mini-Skid Steer Attachments and Tools

LOT 141 - Skid Steer X-treme Manure Forks

Description

Unused 2024 Skid Steer X-treme Manure Forks

Reinforced back: 3/16" steel formed back with a sturdy 3" x 3" tubing top edge.

Removable tines: Equipped with 32" long, tapered spring steel tines (CON-2-32) for efficient material handling.

Enhanced durability: Front support plate protects the leading edge of the bucket while preventing material buildup.

Quantity: 1
