MM.
MINNEAPOLIS-MOLINE. **TOWN AND COUNTRY**
NEW 7 HP TRACTOR

Fun to drive and fun to own—but not a toy, and not a luxury item. The Minneapolis-Moline Town and Country Tractor is a sturdy, hard-working piece of equipment that performs a wide variety of jobs and is useful all year long.

Plenty of power and convenient control to accomplish all your chores with ease—mowing, spraying, seeding, fertilizing, rolling, hauling, spreading, snow removal, and many more. A variety of simple, inexpensive attachments makes all this possible.

As a family helper, it is safe for all the family to use and a delight to all. Driving it is a pleasure and a privilege rather than a chore. You'll be amazed at how cheerfully the work gets done—by Bill, or Sam, or Mom—or you.
